Legion Beats Indians, Co-op Downs Bowlers In League Semi-Finals

By Bill Moore

College Park Legion and Co-Op are finalists in the Shaughnessy Play-Offs for the Greenbelt Little League Baseball pennant. Mel Taylor's Legionnaires made it two straight over the Indians, Wednesdya, August 27, by a score of 11 to 4 to eliminate Chet Speziale's plucky Papooses. Co-Op found greater resistance from the Greenbelt Bowling Alleys nine, advancing into the finals after full three games.

Tuesday's game (August 26) was the only game of the preliminary play-offs to go the regulation six innings and resulted in a 3-2 Co-Op victory over the Bowlers. The other three contests on this report were called on account of darkness after various stages of legal play at four or more stanzas.

Jim Ewing's Pinspillers put together a pair of hits and a walk off Wes Hogan plus a couple of infield errors to score twice in the second inning of Tuesday's game. Freddie Slaugh yielded one of these back to Co-Op in the fourth inning without a hit. Wildness was his downfall in the last period when Sam Barron got the only Co-Op hit of the game after a walk. Another freebie filled the bases and still another forced in the tying run. Skipper Ewing replaced Slaugh with Ronnie Newman at this point and his four errant tosses nudged in the winning run for Bernie Emmert's boys.

Second baseman Bobby Huff was the fielding standout with four nice plays on Bowler grounders throughout the game.

CO-OP	000 102 - 3 1 4
BOWLERS	020 000 - 2 3 2

Hogan and Kelly; Slaugh, Newman 6th, and Mogavero.

An eight run second inning clinched things for the Legion in the first-mentioned 11-4 tilt with the Indians. Bill Sillaman was winning pitcher and Ellsworth Byers the loser. Shortstop Ron DonBullian, half-pint-sized replica of pint-sized Phil "Scooter" Rizzuto, had a perfect two for two while Bobby Lovett's 2 for 3 was two-thirds of the losers' hits off Sillaman. Byer walked 13, Sillaman walked 11; strike-out went 6 and 9.

INDIANS	003 01 - 4 3 3
LEGION	182 0x - 11 7 0

Byers and Long, Dean 2nd, Edmonds 3rd; Sillaman and P. Johnson.

Ewing's Pinspillers spilled Co-Op 11 to 2 Thursday evening to square their series one up. Ronnie Newman squelched Emmert's lads with but two hits. He walked 9 but the green toppers couldn't solve him with men on base. Jerry Sayers, Slaugh and Larry Mogavero led the assault on losing pitcher DeWayne Barron with 2 for 3's. One of Slaugh's hits was a booming homer high over the leftfield "More Bounce to the Ounce" barrier. Ronnie Bussard added a triple to the ten hit attack on Barron.

CO-OP	100 10 - 2 2 3
BOWLERS	213 5x - 11 10 0

Barron and Kelly; Newman and Mogavero.

In the "rubber game" Friday evening Co-Op and the Bowlers matched ten hits apiece but eleven Co-Op runs in the top of the third was decisive, 14 to 8 finally. Lew Castle and Davey Allen sparked the Emmert clan with 3 for 4's. Norman "Babe" Brooks, Newman, Ken Reamy and Sayers had two hits each off Lefty Allen. The biggest boy in the league hit the biggest homer of Shaughnessy Play to date did First-sacker Reamy. The big lad's three run drive in the bottom of the third was a dead-center poke, a towering fly that easily cleared the fence, just missing the flagpole! It pulled the Bowlers' tally up to respectability and somewhat eased the pain of defeat to Manager Ewing.

Little Pat Kelly is improving with every game as a catcher. Co-Op's lead-off man hung on to everything in this game including a sharp third strike tip.

The finest fielding play of the series was turned in by one of its smallest competitors in the lower second inning. The Bowlers' hard-hitting, all-round star Fred Slaugh banged a terrific liner over second —seemingly a sure hit. Poker-faced Bobby Huff took two quick steps to his right and lunged. He speared the drive backhanded over his head—a catch that "brought down the house." The little keystone guardian never changed expression!

CO-OP	0 1 11 2 - 14 10 1

Area Co-ops Plan Barbecue At Lake

Plenty of food and fun for the whole family will be the order of the day for Washington area co-operators at the barbecue sponsored by the Potomac Cooperative Federation to be held Sunday, September 28, at 1:30 p.m., at the Greenbelt Lake.

The barbecue committee, under the chairmanship of Helmuth Kern, promises games, boating, and square dancing as part of the program.

Potomac Cooperators, Inc., the grocery wholesale, will hold its annual meeting at 11:30 a.m. in the Greenbelt Community Room, and those who wish to come early and attend the meeting are cordially invited to do so. Opportunity will also be given for tours of Greenbelt's many co-op facilities.

Barbecue tickets are available through the Federation office at 726 Jackson Place, N.W., Washington 6, D. C. (Telephone REpublic 1078.) Please make reservations promptly in order to assist the committee in their planning.

Anglers' Luck

Angler Tom Snoddy and five of his cohorts spent a profitable twelve hours last Friday on a fishing trip to Lewes, Delaware.

Sailing on the good ship "Sea Crest," under Captain Woody Trader, the hardy fisherman travelled 35 miles out into the ocean.

It took them four hours to reach the fishing grounds, but they came back laden with 7 albacore and 318 black bass. At last report, at least six local families are dining on deep-sea delicacies these days.

GVHC Meeting Set For Next Tuesday

The quarterly membership meeting of the Greenbelt Veteran Housing Corporation has been called for next Tuesday, September 9, at 8:30 p.m. in the Greenbelt theater.

Agenda for the meeting include the elections of two directors, to fill vacancies presently existing on the board, and election of an interim audit committee of three members. Suggestions or nominations for these positions should be given to Donald Kern, chairman of the nominations and elections committee, at Greenbelt 5107.

The directors hope to present to the membership a contract-to-purchase, between GVHC and the Public Housing Administration, for ratification. Also under consideration will be an amendment to the by-laws which was amended and tabled at the meeting of July 29, concerning accessibility to the membership records of the corporation.

Band Offers Chance To Develop Talents

The Greenbelt Band and Majorettes make up a community inspired organization which provides the opportunity to any child in Greenbelt to master the musical instrument of his or her choice.

The Band and Majorettes have received wide recognition in performances in which they have participated. Instruments are furnished by the band and instruction given under the guidance of Dana Garrett, band leader. Fees are nominal and there is a group for all classes.

Plans for the coming year are now being formulated and there are vacancies in all groups. If your child is interested, you may contact Mr. Andros, Gr 3612, or Mr. Caruso, Gr 2158.

Boy's Club Activities

By Lee

The baseball season is drawing to a close now with playoffs in all age limits now in progress. The Midgets defeated Avondale last Wednesday, August 27, by a 7 to 2 score and then Friday, August 29, were defeated by Laurel 11 to 2. They will play Takoma Park at Fletcher Field Thursday and if they defeat that team they will have to defeat Laurel (which has not been beaten yet) twice as it is a double-loss elimination playoff, so you see the boys have their work cut out for them. They need all the support we can give them, so come on out to Fletcher Field on Edmonston Road and root for them.

The Intermediates (Bluejays) will play Edmonston the first of a two-game playoff Wednesday, September 3 at Snug Harbor at 5 p.m. They have to defeat Edmonston twice to win the County Championship in their class, and it will be a good job if they can do it as Edmonston has a good team and hasn't been beaten as yet. Let's hope the boys come through.

The Oriole Juniors are out of the running for the County Championship as they lost to Greenmeadows 5 to 4 in a heartbreaker Tuesday evening, September 2. This game was to decide the team to represent their section in the county playoffs. If they had been successful they would have played Edmonston, the winner in their section. Greenbelt won the first half of the league play and Greenmeadows won the second half—hence the playoff between them which Greenmeadows won. Looks like the competition in the county is getting toughter or the boys are slacking up a little; however there were some very good ball games during the season and a credit to any boys' team.

Summer Really Over-School Starts Monday

School will begin at Center and North End schools at 9 a.m. on Monday, September 8, for the first through the sixth grades. Children will report to the same rooms they were in last year. Dismissal on the first day will be around 10:30. During September, first-graders will be dismissed for the day at 12 noon; beginning the first of October and continuing throughout the rest of the school year, first-graders will be dismissed at 2:30. Dismissal time for the other grades after the first day will be 3:30 p.m.

Kindergarten classes in both Center and North End schools will begin on Monday, September 15.

Members of the temporary Safety Patrol at North End school will meet in the auditorium at 8:25 on Monday, September 7 before they **report to their posts at 8:40.** Parents are requested not to send their children from home before the Patrol goes on duty.

A Safety Patrol meeting for the Center School will be held Friday, September 5 at 4 p.m. in the cafeteria, for all Patrol personnel.

Jr. High Hours

Junior High school students this year have a real treat in store. They will be dismissed at 3:15 each day instead of at 3:30. This means an hour and a quarter each week, or five hours a month, of free time (for study). The reason for this early dismissal time is to facilitate the bus transportation problem. Bus transportation in the morning will run on the same schedule as last year.

School starts Monday, September 8. Children who were in the junior high school last year will report to their old homerooms. New children from the North End school will report to room 111, and new children from the Center school will report to room 102.

The school this year will have 38 teachers, two more than last year. It is estimated that there will be approximately 125 more students, for a total of about 920.

Co-op Kindergartens Open September 15th

Kindergarten classes will begin at North End and Center Schools on Monday, September 15. There will be two sessions: the morning session will be from 9 until 11:30; the afternoon session from 1 to 3:30. For the first few days, however, shorter sessions will be held.

Children whose birthdays fall on or between July 1 and December 31 will attend the morning session; children whose birthdays fall on or between January 1 and June 30 will attend in the afternoon. After school opens, changes may be made in order to keep classes as even in number as possible.

The first month's tuition has been paid and the last month's tuition of $8 is due September 15. This payment will cover the last month a child attends kindergarten. Payments for North End School may be made to Mrs. Coleman, 11-D Hillside; for the Center School, to Mrs. Buckwalter, 35-F Ridge. Registrations are still being accepted by Mrs. Coleman, Greenbelt 8069, and Mrs. Brautigam, Greenbelt 8716. The telephone number of Mrs. Opie Stage, president, has been changed to Greenbelt 7506.

The Izaak Walton fishing contest has been postponed to Saturday, September 6, as well as the drawing for prizes on the raffle tickets.

Co-op Nursery Parents Meet Tonight At School

At 8:30 tonight, September 4, parent-members of the Greenbelt Cooperative Nursery School will meet in its schoolroom at 14 Parkway for final registration and discussion of plans for the coming year. All interested parents are invited to attend, see the school and get acquainted with its operation. Refreshments will be served. Call Mrs. Carolyn Miller at 2617 or Mrs. Anita Bickford at 5221 for further information.

Mrs. Bickford, the president, has pointed out the fact that the $8.50 monthly tuition means an hourly charge of but fifteen and a half cents an hour. With all the benefits of an accredited nursery school thrown in, this appears to compare favorably with what a baby-sitter charges.

JCC Reopens Schools

The Jewish Community Center announces it will again conduct a Sunday School and Hebrew School for the children of Greenbelt and the nearby communities. Registration for both schools will be held at the Center School on Sunday, September 7, between the hours of 10-11 a.m.

My Daze

An Early Labor Day this year, and frankly there are no regrets over summer's end. This is an admittedly biased opinion. I delight in the passing of heat rash, hot nights, poison ivy, and DAYLIGHT SAVING TIME. Like the farmers, I have my reason for hating fast time (down South they call it Yankee time). Summertime, and the living's not so easy, for mothers who can't tuck the offspring in until after dark and almost bedtime for grownups. Daylight Saving Time just aggravates things. Of course the school season heralds a stepped-up routine of PTA and other organizational activities, with meetings, telephoning, fundraising and what not. Which would you rather?

Someone's Always Talking About reducing diets. An acquaintance and his wife are both dieting (both need to). He laughingly confided to his cronies that in order to be able to impress his wife with his his will power he has a snack every evening on his way home from work without telling her of it. Then he dines contentedly on a green salad with cottage cheese and carrot sticks. Perhaps there is an O. Henry twist to this story, for who can tell whether or not the Missus is filling up before her husband joins her in the frugal repast?

Did You Ever Know A Kid who ever had enough of any pleasure?

— DAISY.
